### PERSONAL AND BRIEF.

Attorney N. L. Henley was in Richmond yesterday.

Mr. Frank Lamb, of the Southern Railway Company, was here this week.

Quite a number of our citizens expect to go to Norfolk Monday to hear Mr. Bryan on "Bimetallism."

Miss Mamie Trevilian, who has spent the past year in New York, has returned home for the summer.

The residences of Messrs. C. J. Person and N. L. Henley are nearing completion, while Dr. Bishop's is assuming shape rapidly.

Don't neglect a cough because the weather is pleasant; before the next storm rolls around it may develop into a serious difficulty beyond repair. One Minute Cough Cure is easy to take and will do what its name implies.—Leonard Henley.

Mr. A. H. Kells, of Kingsmill, has gone to Adirondack, Mich., for a short visit. He will return with his wife to reside at the new Colony.

Mr. S. P. Babcock, a well-known inventor, has returned north, after a visit to his son-in-law, Mr. C. B. Pettet, of the Kingsmill Brick and Tile Co.

Dr. Jno. W. Nash, physician at the Hospital, has left for a month's rest. The doctor is not enjoying good health. Dr. Hankins is in Dr. Nash's place.

Sick headache can be quickly and completely overcome by using those famous little pills known as "DeWitt's Little Early Risers."—Leonard Henley.

Mr. Willie Topham, son of Capt. Jno. Topham, Chief Engineer at the Hospital, has secured a position with the Southern Railway, with headquarters at Pinners Point.

The Williamsburg base ball team is in Newport News to-day, where they will meet the team of that enterprising town at Riverview Park. Manager Jones has taken a good team, and a good score may be expected.

Not only piles of the very worst kind can be cured by DeWitt's Witch Hazel Salve, but eczema, scalds, burns, bruises, boils, ulcers and all other skin troubles can be instantly relieved by the same remedy.—Leonard Henley.

Mr. Eugene Vose, a former student of W. & M., stopped over in this city this week. He is on his way home from the University of Virginia, which institution he attended last session.

Don't thin your blood with sassafras poison it with blue-mass; but aid nature by using DeWitt's Little Early Risers the famous little pills for constipation, biliousness and stomach and liver troubles. They are purely vegetable.—Leonard Henley.

Mr. J. A. H. Dobson, of Yorktown, desires us to say that owing to the sickness of Capt. Lewis the Schooner Fannie will not make a trip down to the Bay on the 13, to-morrow, as advertised.

TERRIBLE ACCIDENT.—It is a terrible accident to be burned or scalded; but the pain and agony and the frightful disfigurements can be quickly overcome without leaving a scar by using DeWitt's Witch Hazel Salve.—Leonard Henley.

The Gazette receives new subscribers every week from the north and west. These persons are interested in our section, many of whom will become settlers here. Those who have been enquiring about Kingsmill will hear something of great interest to them early in July, as the Gazette will contain several pages of news about the new Colony, which promises so much.

### Childrens' Day.

Childrens' Day exercises of the Methodist Church were held Sunday night and the building was crowded with people. The Sunday School children who took part in these exercises were well trained and the occasion was a most pleasant and interesting one.

W. B. Johnson, Newark, O., says "One Minute Cough Cure saved my only child from dying by croup." It has saved thousands of others suffering from croup, pneumonia, bronchitis and other serious throat and lung troubles.—Leonard Henley.

### A PRETTY HOME WEDDING.

Miss Meta Smith Becomes The Bride of Prof. Hugh S. Bird.

Wednesday at 3:30 o'clock a pretty home wedding took place at "Bassett Hall," the palatial home of Mrs. Israel Smith, when her youngest daughter, Miss Margaret Willard became the bride of Prof. Hugh Stockdell Bird. The ceremony that made the couple one was performed by Rev. John Ridout, of Grace Episcopal church, (of which the groom is a member), in the presence of only the most intimate friends and relatives of the contracting parties.

Miss Edith Minturn Smith, sister of the bride, was maid of honor. Mr. and Mrs. Bird left on the evening train for Old Point, where they will spend a few days, after which they will return to their home on East Francis St.

The groom is a well-known young gentleman, having been Professor of Pedagogy at William and Mary College since 1888. He stands very high as an educator and has before him a bright future. The bride is a young lady of sweet disposition and attractive and winning manner, and is extremely popular with her friends.

"They are dandies," said Thos. Bowlers, of the Crockett, Texas, Enterprise, while writing about DeWitt's Little Early Risers, the famous little pills for sick headache and disorders of the stomach and liver.—Leonard Henley.

### HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

### WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfils every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effect following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention The Gazette and send your full post-office address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

Some for ten, some for twenty and some for thirty years have suffered from piles and they have been quickly and permanently cured by using DeWitt's Witch Hazel. The great remedy for piles and all forms of skin diseases.—Leonard Henley.
